The screenshot shows a laptop screen displaying a PowerPoint presentation in the 'Inknoe ClassPoint' view. The main slide is titled 'Which of the following is/are NOT mammals?' and features four options: A. Platypus, B. Bat, C. Pangolin, and D. Hummingbird. The slide background includes images of a platypus, a bat, a hummingbird, and a pangolin. The interactive quiz interface is visible, showing 'Multiple Choice' selected, 4 choices, and a 'Multiple Choice' button. The right sidebar shows the 'Interactive Quiz' settings, including 'Question Type' (Multiple Choice), 'Number of choices' (4), and 'Play Options'. The bottom status bar indicates 'Slide 4 of 14' and 'English (Singapore)'. The Windows taskbar at the bottom shows the system tray with the time 5:07 PM and language ENG.
